

Stevens County Fair

177 County Road 22, P.O. Box 622, Morris, MN 56267
info@stevenscountyfair.org | www.stevenscountyfair.org
August 6 - 11, 2024

The Fair will again have new events from last year. We would like to remind you that there is no cost to enter the gate or parking. It's all free. We will again kick off the Fair with a Community Supper on Tuesday, August 6, 2024 beginning at 5 pm. The supper is free with a fair button. The buttons may be purchased at the supper and are also good for many drawings including a trip for two to a destination yet to be determined. Nightly grandstand entertainment will include Enduro Racing, Rodeo, and Demo Derby. Special attraction will be "Eli Young Band" concert on Friday, August 9th. There are always great musical or magical acts on the free stages. This will make for a good crowd during the Fair.

Each year we try to present a wide variety of learning experiences and Free entertainment with a fun place to meet and socialize with friends. Our fair remains a **Free gate and Free parking fair** which keeps our fairgoers numbers up. Our 4-H Clubs, Open Class, Homemakers exhibits and judging events showcase the talents of all ages. We have a great showcase of outdoor and indoor commercial displays.

Commercial Exhibitors - NEW FOR 2024 - BOOTHS OPEN UP
WEDNESDAY AT 5 PM,
SET UP Wednesday, August 7th from 8 am to 5 pm

CHECKOUT === CHECKOUT === CHECKOUT === CHECKOUT === PLEASE READ

Checkout is not until **7PM on Sunday**. There will be drawings at 7pm for the booths and the booths must be still set up to be included in the drawings. This has worked very well for the past few years. Drawings include the best looking and maintained booths along with a regular drawing for some cash back. If you are not set up at 7 PM, you will not be included and will lose your spot area for the next fair. We try to get your booth in the area you request from year to year but can only honor so many requests. But, if you checkout early, we will not honor the requested spot for the next year's fair. Booth items may be picked up on Monday after the fair if Sunday evening doesn't work for you; just let us know. If you attach any items to the curtains, **Please** remove them Sunday night as we must take down the curtains at 9pm Sunday for shipping pickup on Monday.

If you have any questions call the fairgrounds at 320 - 589 - 1062 or you can also email us at **info@stevenscountyfair.org** Make sure you also check out the Stevens County Fair Website at **www.stevenscountyfair.org** This is also a great place to place any info about your booth at the fair for free. Just go to the Bulletin Board and post your info. Thank you and we are looking forward to seeing you at the Stevens County Fair.

Sincerely,
Stevens County Agricultural Society
